> Keep America Out of War

By Ballots Not Bullets

This ballot is offered to the readers of THE ELBA CLIPPER in support of a nationwide "Peace-for-America" campaign being conducted by the Veterans of Foreign Wars of the U.S.

The purpose of this campaign is to provide Congress with tangible proof, in the form of 25 million signatures of citizen voters, that the people of this nation want America to keep out of war.

You Can Do Your Bit For Peace By Mailing This Ballot Properly Signed

VETERANS OF FOREIGN WARS OF U.S. National Headquarters Kansas City, Missouri

I hereby call upon Congress, and the President of the United States, to adopt and apply policies designed to Keep America Out of War and supported by a national defense program adequate to preserve and protect our country and its people.

SYNOPSIS: — Monty Wallace has just arrived in California, having broken the East-West cross in Back by Monty Limmy later asks him down into the angry ocean. has just arrived in California, having broken the East-West cross country airplane record. Natalie Wade, mistaken by him for a newspaper reporter, writes the exclusive account of Monty's arrival, and succeeds in securing a trial job with a paper in exchange for the story. Natalie becomes attached to Monty.

Natalie to consider his love for her if she refuses Monty.

Natalie induces Monty to set out with her in an airplane search for two missing aviators. At dusk Monty lands the plane in the open country, where he and Natalie there were necessary to the story. Natalie becomes attached to Monty.

Although she discovers Monty's love for her is not sincere, Natalie edmits that she loves him. She is assigned by her paper to report Monty's activities for publication. Jimmy Hale, the newspaper's photographer, becomes Natalie's coworker.

Natalia interviews Laborated Science of Country, where he and Natalie must spent the night.

Resuming the search in the morning, they finally locate the filers. Natalie wires the story to her paper. That night at dinner, Marion announces a non-stop. 'round the world flight, with Monty piloting the new plane, "Sunny Marion." worker.
Natalie interviews Jabe Marion a wealthy airplane builder, who decides to build a record-breaking 'round the world plane for Monty, Marion's daughter, Sunny, exquisitely beautiful, is attracted to Monty. She invites Natalie to Monty, She invites Natalie to Monty, where the will begin the flight eastward. They are followed by Jimmy and Sunny.
